Introduction

The Bookshop of the Provincial Museum is located in the Main Lobby and is open from 10:00 a.m. to 8:00 p.m. daily. It is closed Christmas Day.

The Bookshop is operated as a service to the Museum's visitors. It offers printed material on the natural and human history of Alberta in particular, and western Canada in general. Museum publications, books and other material from the list may be purchased by mail as well as in person. Individuals ordering by mail are asked to use the order form provided or they may order by letter. **Please do not send payment in advance.** A confirmation of order along with total charges will be sent out and, upon receipt of money order or cheque (made payable to the Provincial Treasurer), orders will be promptly filled. Institutions will be invoiced.

Prices are subject to change without notice.

Upon presentation of appropriate identification, senior citizens, students, and Friends of the Museum may ask for a ten percent discount on the purchase of books only of a value of $3.00 or more, with the exception of local histories, which are sold on a cost-recovery basis.

There are many titles not listed in this basic stock list since new titles arrive almost daily. As well, a wide variety of local histories are available. A supplementary list of these publications and additional copies of this catalogue are available upon request.
